THIS BOOK BELONGS TO

We will all have happy memories about our time at Branston School! The school has Academy Status and an age range from 11 to 18. The main building for the school is housed in a lovely old Victorian building which has been extensively modernised. We also have new modern buildings that house the gym and new hall. We are lucky to be located in a lovely area of Hampshire just outside of Salisbury and the majority of pupils live in Salisbury or the surrounding villages. The school facilitates a huge range of extracurricular activities and trips and we will all have our own special memories of the Year 11 Ski trip to Bansco earlier this year! The teachers have been fantastic and we all credit our success and enjoyment in learning to the dedication of the staff at school...*thank you all!*

### Mr Bentley

This has been another fantastic year for everyone here at Stonemead Junior School! We have seen Ofsted come and go and again we have received another 'Outstanding' Report thanks to our fantastic staff, children and the amazing support we always enjoy from our parents.

## Headteacher's Interview

### My favourite job as headteacher:

I feel it is a privilege to get to know so many children and have the chance to encourage them, celebrate their successes and watch them develop as they travel through the school.

### The school achievements:

The schools achievements are also the pupils achievements - this year's year 11 have represented the school in so many areas that we have never ventured into before including, The Kenya Conservation Project and winning the UK Schools Science Challenge Cup!

### Something I am proud of:

I am proud every year of the confidence and enthusiasm of pupils leaving the school and knowing that they carry out schools good reputation with them out into the next stages of their life

### My message to the pupils:

Make the most of every opportunity - you get out of life what you put in and now is your time to live life to the full!

Well Year 11 pupils, it is the end of your time at Branston School. I am very proud of all that you have achieved at Branston School and feel sure that you are now ready to meet the challenges that lie ahead of you, good luck with your future endeavours. I have really enjoyed monitoring your progress from the time that you first entered school and watching you mature into the young people that you are today. As you go forward, remember to never give anything less than your best and make the most of every opportunity. I hope you will take away many happy memories of the time that you have spent here. Best wishes and Enjoy.
