

How to enable flash for the **Classic Book Creator** on **Chrome**:

1. First load the site: <http://create.cauliflowerbooks.co.uk/app/>

2. Click on the info icon before the URL of the website.

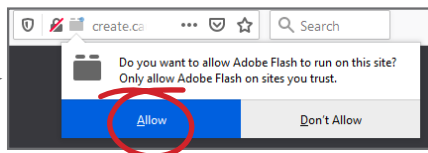

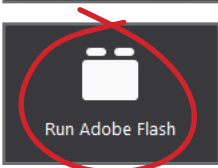

3. On the right of the Flash option, click on the down arrow followed by the 'Allow' option. Now, reload the page to access the classic book creator.

Note: Flash will automatically be disabled every time you quit Chrome, so you have to enable it again each time you open it.

How to enable flash for the **Classic Book Creator** on **Firefox**:

If Flash isn't up to date in Firefox, you will see a warning asking for an update. Click check for updates and follow the on screen instructions to install the latest version of flash. Then restart Firefox and load the Classic Book Creator url again (<http://create.cauliflowerbooks.co.uk/app/>).

Then click the icon labelled 'Run Adobe Flash' and then click on the 'Allow' button pop up.
